Fund Strategy

- The Fund will follow a straightforward, disciplined investment strategy seeking income. The Fund will maintain a diversified portfolio of high quality fixed income assets, mainly Vietnam Government bonds, Government backed bonds, municipal bonds and high quality corporate bonds. The Fund will maintain a diversified portfolio of high quality fixed income assets, mainly Vietnam Government bonds, Government backed bonds, municipal bonds and high quality corporate bonds.
- For Government bonds, Government guaranteed bonds and municipal bonds, the Manager focuses on maturity management, chooses bonds depending on interest rate expectations, and the liquidity of different terms.
- For corporate bonds, the Fund Manager applies a bottom-up approach based on the basics of the enterprise. The Fund will consider investing in bonds of issuers with good financial status, stable cash flow and high debt repayment capability. The fund follows a bottom-up approach to stock-picking by valuing fundamentals of the companies and chooses companies across sectors.
