Important information

- Investing in open-ended funds involves inherent risks and does not guarantee returns due to market fluctuations. Before making an investment decision, investors must carefully read and fully understand the Fund Charter, Prospectus, and all relevant disclosure documents. Investment decisions are the sole responsibility of the investor, based on their individual financial goals and risk tolerance. All information provided by any organization or individual is for reference purposes only and does not constitute investment advice or a formal recommendation.
- Open-ended funds are recommended for long-term investment. Redemption fees may apply if sold early and other applicable transaction costs.
- Fund certificate prices are subject to market fluctuations and may fall below the purchase price.
- Past fund performance is for reference only and does not guarantee future returns.
